Information by Chapter
Only chapters listed were found responsible for violations during the 2016-2017 academic year.

Alpha Xi Delta – March 18, 2017
Hazing Violation – Information can be found on the Cornell Hazing Website

Delta Chi – February 28, 2017
Adjudication Type: Greek Judicial Board, April 26, 2017
Incident Description: Cornell University Police and emergency services responded to a medical emergency involving a student on 2/28/2017. The student was transported to a local hospital for treatment. The patient stated she attended an event with another fraternity. The student then left the mixer with the other fraternity and went to Delta Chi where she also consumed alcohol.
Responsible Violations: EMG E.5, EMG E.5.a, EMG H.1
Sanctions: Social Probation

Delta Chi – March 11, 2017
Adjudication Type: Greek Judicial Board, April 26, 2017
Incident Description: Cornell University Police responded to a medical emergency involving an intoxicated underage student on 3/11/2017. The student received treatment at a local hospital. The student reported she had consumed alcohol on the night of the incident, stating she was drinking shots at Delta Chi and that were poured for her by fraternity members.
Responsible Violations: EMG D.2, EMG E.5.a, EMG H.1
Sanctions: Educational Training and Social Probation

Delta Upsilon – October 29, 2016
Adjudication Type: Greek Judicial Board, November 16, 2016
Incident Description: Cornell University Police responded to Delta Upsilon on 10/29/2016 with emergency personnel regarding a fire alarm. The fire alarm was determined to have been pulled maliciously. Not everyone evacuated when the fire alarm sounded. Alcohol was present throughout the house. Beer was available without signage as required by the event management guidelines. A representative of the fraternity confirmed there were more than 250 people at the party.
Responsible Violations: EMG D.1
Sanctions: Educational Training and Social Probation

Delta Upsilon – December 4, 2016
Adjudication Type: Greek Judicial Board, February 22, 2017
Incident Description: Cornell University Police responded to Delta Upsilon for a noise complaint on 12/2/2016. An intoxicated student was determined to be under 21 and had been served beer inside the fraternity. Additionally, two students were found to have unlawful possession of alcohol. The party was unregistered.
Responsible Violations: NYS 1.a, EMG D.8, EMG E.5
Sanctions: Educational Training and Social Probation

Delta Upsilon – January 27, 2017
Adjudication Type: Greek Judicial Board, February 22, 2017
Incident Description: Cornell University Police responded to a call at Delta Upsilon regarding a report of a male attempting to jump out of a third-floor window. Officers proceeded to the third floor, but were stopped by fraternity members. People were seen holding open containers of alcohol. When officers made it to the third floor, they found a student had climbed out of his window to get out of the room. The locking mechanism to the room had a malfunction and would not unlock. Fraternity leadership confirmed the party moved out of the common area to the upper levels of the house.

Responsible Violations: EMG D.6
Sanctions: Disciplinary Probation

Kappa Kappa Gamma – February 27, 2017
Hazing Violation – Information can be found on the Cornell Hazing Website

Kappa Sigma – October 23, 2016
Adjudication Type: Greek Judicial Board, November 9, 2016
Incident Description: On 10/23/2016, Cornell University Police and emergency personnel responded to a fire alarm at Kappa Sigma. The cause was determined to be a recklessly discharged fire extinguisher. Hard alcohol and wine were found in the common areas. Two rooms contained smoke detectors that had been covered with plastic bags. Both of these rooms also smelled of marijuana. An officer also found drug paraphernalia, marijuana, and alcohol in plain view. Marijuana, a bong, and two fake drivers’ licenses were removed from their location by Cornell University Police.
Responsible Violations: EM 8, EMG D.11.a., EMG E.4, EMG E.5
Sanctions: Disciplinary Probation, Educational Training, Monetary Fine, and Oral Warning

Lambda Chi Alpha – February 16, 2017
Hazing Violation – Information can be found on the Cornell Hazing Website

Pi Kappa Alpha – February 27, 2017
Hazing Violation – Information can be found on the Cornell Hazing Website

Sigma Phi Epsilon – January 29, 2017
Hazing Violation – Information can be found on the Cornell Hazing Website
List of Violations

Only Violations chapters were found responsible for are listed here. For a complete list of all violations please reference the community governing documents at greeks.cornell.edu.

New York State Laws (NYS)
NYS 1.a. – Selling or Giving Alcohol to Individual(s) Less than 21 Years of Age

Recognition Policy (RP)
RP E.17.b. – Hazing: Will not implement or tolerate hazing, as defined by the Campus Code of Conduct, in any form, at any time.

 Expectations for Membership (EM)
EM 8. – Alcohol, Drugs/Controlled Substances: I will not use nor support the illegal purchase, use, possession or distribution of alcohol, drugs or controlled substances.

Event Management Guidelines (EMG)
EMG D.1. – Over Maximum Occupancy for Assembly Space: Functions are expected to not become overcrowded to the point where safety is a concern, nor are events to continue so late that mechanisms for managing the event deteriorate. No chapter may exceed its Maximum Occupancy for Assembly Space. Registered Afterhours events are expected to end at 4 AM. Afterhours events are also alcohol free. All other registered events are expected to end at 1 AM.

EMG D.2. – Transport: It is expected that individuals who appear intoxicated are not permitted to drive nor should chapter members attempt to transport intoxicated individuals. Chapters are expected to contact 911 immediately if individuals appear severely intoxicated and/or impaired (see Medical Amnesty Protocol).

EMG D.6. – Not Courteous and Responsible: Chapters must handle complaints from neighbors and police in a courteous and responsible manner.

EMG D.8. – Alcohol Related Events, All Show ID: For alcohol related events, members and guests are expected to show a valid driver’s license, military ID, or passport AND a valid Cornell ID at the door.

EMG D.11.a. – Insufficient Sober Monitors: For ALL functions, fraternities and sororities are expected to provide monitors who will not consume alcohol throughout the duration of the event, and who will monitor the activities of both members and guests, with the objective of promoting compliance with these guidelines and NYS law. Additionally, Cayuga Watchers is a free and confidential resource chapters may use. They can be reached at www.cayugaswatchers.org.

EMG E.4. – Binge Drinking and Games with Alcohol: It is expected that no member will permit, tolerate, encourage or participate in activities that include binge drinking or games with alcohol.
EMG E.5. – Common Source (Kegs and Cases): Common sources of alcohol (i.e. kegs, large quantities of unattended alcohol) are prohibited at all events, except when provided by a licensed caterer at a Catered Invite.

EMG E.5.a. – Hard Liquor (shots and mixed drinks): Hard liquor (i.e. shots and mixed drinks) are prohibited at all events, except when provided by a licensed caterer at a Catered Invite.

EMG H.1. – Selling or Giving Alcohol to Individuals Less Than 21 Years of Age
