Presenters

Students, staff, and alumni (and parent) will share information about Sorority and Fraternity Life with you today. We are recording this session.

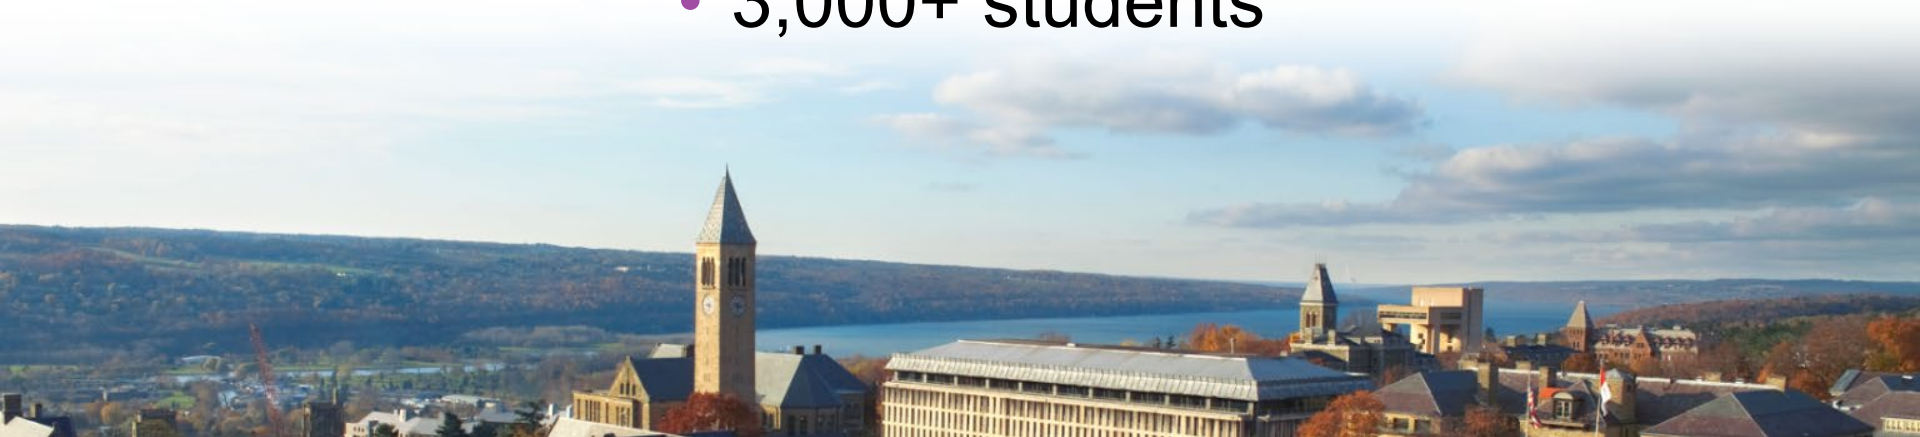

We'll have a Q & A at the end.

Sorority & Fraternity Community

- Three Councils - Multicultural Greek and Fraternal Council (MGFC-12), Interfraternity Council (IFC-30), & Panhellenic Council (PHC-13)
- Deferred recruitment campus
 - 3,000+ students

Houses

- All of our IFC and PHC sororities and fraternities have physical houses. It is common for students to live in as sophomores and also if they are chapter officers in upper class years. Some houses do have a two year live-in requirement.
- Houses have a meal plan. IFC new members join the meal plan in the spring semester of joining.
