RECOGNITION POLICY
FOR FRATERNITIES AND SORORITIES

This policy constitutes the University procedure for the conferral or withdrawal of recognition of fraternities and sororities. It applies to all social fraternities and sororities, whether residential or non-residential. This Recognition Policy may be amended or rescinded or superseded at any time by action of the Board of Trustees. Benefits and privileges extended to recognized fraternities and sororities under this, or any other University policy, are subject to the availability of University resources for the purposes specified and do not constitute entitlements.

A. RECOGNITION:

Recognition is the formal process by which Cornell determines whether a social fraternity or sorority (residential or non-residential, occupying property owned by Cornell or not, located on or off campus) may avail itself of certain privileges within the gift of the University. Once recognized, a fraternity or sorority may enroll members from the student body, in accordance with Trustee legislation. It may identify its charter with Cornell and be eligible for the benefits described herein and the privileges accorded to other recognized student organizations.

Recognition serves only the limited purposes described herein and is not intended in any way to alter the legal relationship between Cornell and the fraternity or sorority. Each fraternity or sorority is, and remains, an independent legal entity responsible for its own actions and for meeting its own legal duties and obligations. It is understood that Cornell does not, by this action, assume any legal responsibility for the supervision or control of fraternity or sorority activities, but reserves the right to withdraw the privileges conferred by this Policy and to take such other actions as may be lawful and appropriate. Recognition pursuant to this policy does not constitute an endorsement by Cornell of a particular fraternal organization or its activities.

B. ELIGIBILITY FOR RECOGNITION:

Fraternal organizations eligible for recognition under this policy shall have the following characteristics:

1. Chapters shall be legal entities separate from Cornell.

2. They shall be entitled to be subjectively selective in their membership within the limits of the University's non-discrimination policies.

3. Single sex fraternal organizations shall be entitled to single sex membership consistent with regulations promulgated pursuant to Title IX of the U.S. Education Act Amendments of 1972 and such other laws or regulations as may apply.

C. CONFERRAL OF RECOGNITION:

Recognition may be conferred, modified or withdrawn by the President or his designee consistent with the provisions of this policy.
D. LEVELS OF RECOGNITION:

A fraternity or sorority initially may be granted either Full Recognition or Provisional Recognition.

1. Full Recognition:

   Full Recognition signifies that the fraternity or sorority is eligible for the Benefits of Full Recognition, as described below.

2. Provisional Recognition

   Provisional Recognition constitutes a conditional recognition for a specified period, not longer than one calendar year, during which the chapter will be eligible for the Benefits of Full Recognition under this policy.

   Provisional Recognition may be granted at the President's or his designee's discretion during the period of initial implementation of this Policy, establishment of a new sorority or fraternity chapter or the re-establishment of a formerly active Cornell chapter, provided that the group signs a statement of intent to comply with the Criteria for Full Recognition at the end of the provisional period.

   Provisional Recognition expires at the end of the specified period, unless renewed or extended by the President or his designee.

E. CRITERIA FOR FULL RECOGNITION:

Each fraternity or sorority seeking Full Recognition must demonstrate upon application to the President or his designee, pursuant to procedures established by that office, compliance with the following criteria:

A certificate of such insurance shall be forwarded to the University as evidence of such coverage, and the University must receive notice of any change, cancellation, or renewal of the policy. The insurance shall be considered primary over any and all collectable insurance that the University may have available.

Upon demonstration to the satisfaction of the President or his designee that the chapter is once again in compliance with the Criteria for Full Recognition, the chapter may be restored to Full Recognition status.

2. No decision to withdraw chapter recognition or place a chapter on probation will be taken except upon prior written notice to the chapter of the reasons for such action and after permitting the chapter an opportunity to respond to the notice. The decision of the President or his designee in such matter shall be final.
