

Fall 2020 Recognition Policy Acknowledgment

Please Read, and Sign

Recognition is the formal process by which Cornell determines whether a social sorority or fraternity (residential or non-residential, occupying property owned by Cornell or not, located on or off campus) may avail itself of certain privileges within the gift of the University. Once recognized, a sorority or fraternity may enroll members from the student body, in accordance with Trustee legislation. It may identify its charter with Cornell and be eligible for the benefits described herein and the privileges accorded to other recognized student organizations.

Recognition serves only the limited purposes described herein and is not intended in any way to alter the legal relationship between Cornell and the sorority or fraternity. Each sorority or fraternity is, and remains, an independent legal entity responsible for its own actions and for meeting its own legal duties and obligations. It is understood that Cornell does not, by this action, assume any legal responsibility for the supervision or control of fraternity or sorority activities, but reserves the right to withdraw the privileges conferred by this Policy and to take such other actions as may be lawful and appropriate. Recognition pursuant to this policy does not constitute an endorsement by Cornell of a particular fraternal organization or its activities.

Each semester, the president of each recognized sorority or fraternity is asked to read, review, and submit a signature of acknowledgement that this policy exists and that he/she is aware of its stipulations.

Below is the current Recognition Policy.
