

# Outside Funding and Gift Account Payment Requests in CampusGroups

## A few reminders:

- Funding can only be used if the [Cornell Coronavirus Guidelines for Meetings and the 2020-2021 Campus Activities Student Organization Social, Event and Meeting Requirements](#) are being followed.
- If an event is to be funded by multiple funding sources and/or perhaps multiple organizations, please send an [email to the Student Organization Business Office](#) and let them know. They can help you coordinate everything.
- The Outside Funding FY21 and Gift Account Funding FY21 Allocation/Revenue will be updated on a weekly basis if additional funding (applicable) is received

## To Request Payments from your Gift and/or Outside Funding accounts:

Log in to CampusGroups and go to the Organization that you wish to submit a Payment Request for and go to the Accounting Book.

- You can see you're the balances for any Outside Funding or Gift Funding that you have as well as the left over balance in any other Funding Source if you've had any Allocation for the year.
- To request a payment (or reimbursement) be made from your Outside Funding or Gift Account Funding, hit Request Payment on the Accounting Book page.
- To request payments (or reimbursements) from the other Funding Sources, go into the Budgeting link and choose from each Funding Source individually.

The screenshot displays the 'Accounting Book' interface in CampusGroups. The 'Accounting Book' title is highlighted in yellow. The table below shows budget requests with columns for Allocations/Revenues, Expenses, and Balance. The 'Balance' column is circled in blue. Below the table, the 'Transactions (3)' section is visible, with a 'Request Payment' button circled in blue. A blue arrow points from the 'Request Payment' button to the 'Balance' column header.
